Note:

The Moving Ahead for Progress in the 21st Century Act (MAP-21) and associated federal regulations (23 CFR Section 450.332 and 49 CFR Section 613.100) require that in metropolitan planning areas the MPO shall cooperatively develop and publish a listing of projects that were obligated (i.e., authorized) during the preceding year. Obligation of funds does not necessarily mean that the project was constructed or implemented in the given year.
