Note:  
Fixing America's Surface Transportation (FAST) Act and associated federal regulations (23 CFR Section 450.332 and 49 CFR Section 613.100) require that in metropolitan planning areas the MPO shall cooperatively develop and publish a listing of projects that were obligated (i.e., authorized) during the preceding year. Obligation of funds does not necessarily mean that the project was constructed or implemented in the given year.
