

Public Hearing Notice

Major Amendment to TIP

To Add CTH AB/USH 12-18 Interchange Project

The Madison Area Transportation Planning Board – An MPO will conduct a public hearing on a major amendment to the [2020-2024 Transportation Improvement Program \(TIP\) for the Madison Metropolitan Area & Dane County Area](#). The TIP lists major transportation improvements, including roadways, transit, bicycle, and pedestrian projects, anticipated to be undertaken during the next five-year period.

The hearing invites comments or concerns regarding the TIP amendment, which would add a project to construct a full diamond interchange at relocated County Trunk Highway (CTH) AB and U.S. Highway (USH) 12/18 with a two-way frontage road on the south side of USH 12/18 between Millpond Road and CTH AB. The project is designed to address safety issues at the Millpond Road and CTH AB intersections, which from 2015-2019 have had crashes injuring 81 persons and resulting in a fatality.

[More information on the project is included in this memo.](#)
